A sea of floating silver balloons that bounce about playfully as guests interact with the room.

UNITY (3)

Guests can find their own faces in an interactive wall of digitally projected clouds.

Those who dare can step out into a glass skybox that floats 1,100 feet (335 meters) above Madison Avenue.

REFLECT (5)

A shape-shifting art exhibit by world renowned artist, Yayoi Kusama.

SUMMIT AT NIGHT (6)

After dark, a light show dramatically transforms the space using waves of color and sound.

An indoor café with an outdoor bar offers light bites, cocktails and an extraordinary vantage point.
