

Nonstop flights from five UK airports

Enjoy a choice of six flights* daily from London Heathrow and nonstop flights from Birmingham, Manchester, Edinburgh and Glasgow to New York's Newark Liberty International Airport. From there, transfer to Manhattan in 30 minutes or connect to over 300 destinations across the Americas.

Fast entry into the U.S. with quicker and easier access to Midtown Manhattan than JFK

^{*} Sixth daily LHR-EWR nonstop service effective 5th April 2017 (westbound) until 28th October 2017.

Sleep-themed amenity kits help flyers stay relaxed and refreshed

United Economy®

United Economy® customers on long-haul international flights can now enjoy an enhanced three course meal service, with complimentary beer, wine and soft drinks. Travellers will also be offered a pre-arrival service as well as the option to purchase a range of high-quality midflight snacks.

Relax in ergonomically-designed seats with up to 32 inches of legroom, as well as personal on demand seat back screens offering a wide choice of films, TV and music, with complimentary headsets. Standard international baggage allowances are included in the price of the ticket.

Stay connected, even at 36,000 feet. United has installed global satellite based Wi-Fi on its entire fleet, with 100% of mainline aircraft equipped. This service offers complimentary on-demand programming from a library of more than 150 movies and nearly 200 television shows streamed direct to your device through the United App. Full Wi-Fi access is also available for purchase during the flight.

Upgrade to United Economy Plus®

Stretch out with extra legroom in United Economy Plus; with up to 6 inches of additional legroom. Seats are located near the front of the Economy cabin allowing a swifter exit on arrival.
